PC-S43

Compact
Tabletop Cutter

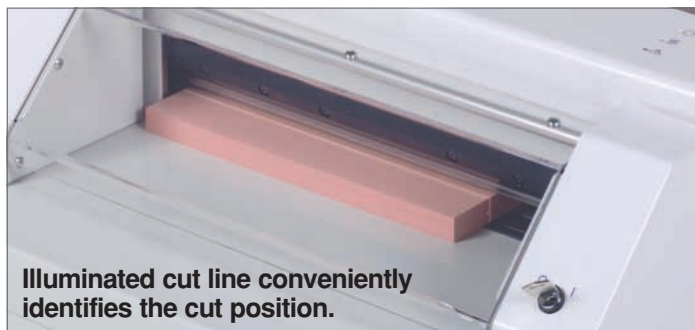

Perfect for cutting up to A3 (17") sheet size and book trimming.

The perfect cutter for office use, from cutting of printed sheets to book trimming.

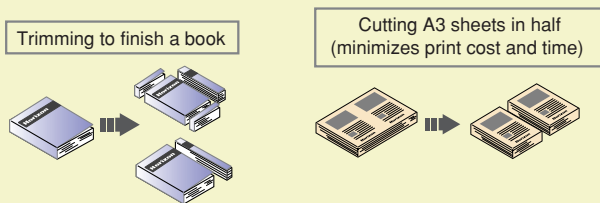

● Features

- Simply press a button to automatically clamp and cut the paper.
- Illuminated cut line conveniently identifies the cut position.
- Advanced safety features including the locking safety cover during operation.
- To stop cutting, just release the button, and the cutter will automatically return to the starting position.
- You can cut sheets up to 434mm (17") wide and, up to 25mm (0.9") thick.
- Accurate back-gauge raceway keeps the gauge square, helping to ensure an accurate cut.
- Cut sheets can be moved forward by simply pushing a lever, allowing for easy removal.
- A worn knife can be easily replaced by using a safety sheath which covers the blade as it is moved into position.
- No adjustments are necessary after knife replacement.

Illuminated cut line conveniently identifies the cut position.

This is perfect for

A new knife is installed with a safety sheath.

To cut, simply close the safety cover and press both cutting buttons.
