SPF-8

The Compact Desktop Bookletmaker that saves money and time by increasing the efficiency of your book binding operation.

● Features

■ Multiple Functions

Bookletmaking, Side-stapling, Corner-stapling and Fold can be selected.

■ Easy to Operate

Even a non-skilled operator can staple and fold with fail-safe and simple operation.

■ Staple Monitor

When the staple becomes empty or jammed, operation stops immediately.

■ Flat and Neat Stapling Finish

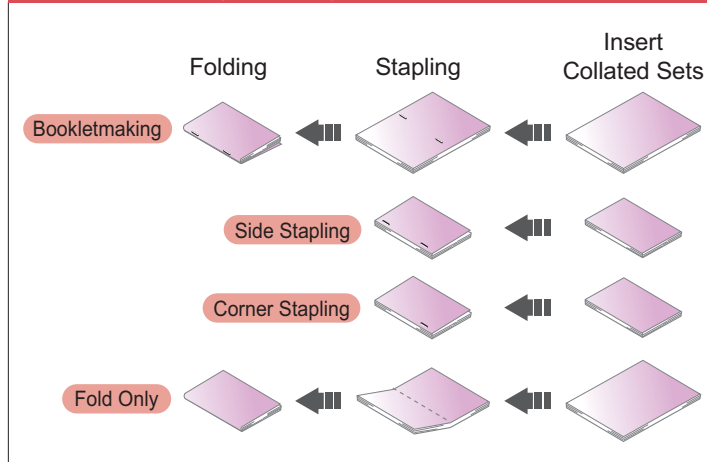

The SPF-8 is equipped with the staple unit that produces completely flat stapling.

■ Perfect for Short-Run Operation

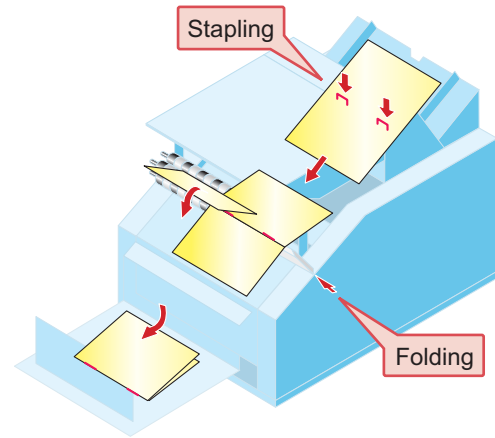

The SPF-8 is the perfect machine for short run job or sample preparation.

A Powerful Compact Machine that can staple and fold sheets efficiently.

Four types of jobs can be done..

Sheet Flow

Simple Operation

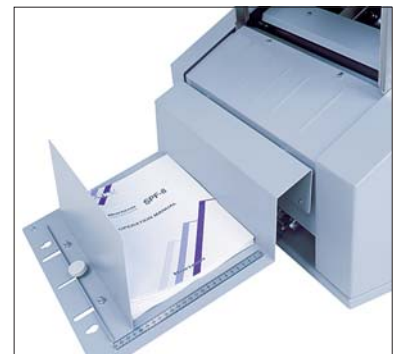

Operation Procedure

1 Select the job pattern.

2 Insert prints, then press the start button.

3 The SPF-8 starts as soon as prints are inserted and delivers to the tray.
