## CHAPTER 80 COMING SOON

Another chapter is closed in the book of Horizon, and we are looking back on this year with gratitude. Throughout 2025 we continued to make strides toward Lights Out Automation with new advancements in technology, integrated solutions with many industry partners, important industry shows such as China Print and HID, and our biggest Finishing First Event ever in Quickborn, Germany with Horizon GmbH.

This is the time to give a massive thanks to our team around the world. We are all #TeamHorizon and it has truly been a pleasure to work with you this year. Your hard work, late nights, and positive energy is deeply appreciated.

# 2025 EVENTS & ICE LINK VIDEOS

ON THE HORIZON!

## HID

In February we attended Hunkeler Innovationdays and showed our **inline iCE STITCHLINER Mark V** and **Canon varioPRINT iX3200 Press** for the very first time! On this solution, we produced the daily Inkish magazines and were able to show on demand book production right on the show floor! We connected with countless customers over three days and want to extend our thanks to the Hunkeler team for the great organization and experience once again.

## CHINA PRINT

In May, Horizon attended **China Print** with our local partner AFS in Beijing, China. We collaborated with many industry partners to bring 10 future forward solutions and numerous smart factory solutions- Robots, AGV, workflow- to the show floor.

EVENT VIDEOS

## FINISHING FIRST

In October, we headed over to Germany to support #TeamHorizon at **Finishing First 2025**. We spent two wonderful days connecting with customers, dealers, and partners from around Europe, and had our biggest event yet with over 31 partners and nearly 300 visitors. Thank you to everyone who attended!

## BREAKING THE ICE

THE BENEFITS OF ICE LINK SHOWN WITH REAL PRODUCTION AND DATA.

2025 brought our community the Breaking the iCE video campaign. A series dedicated to iCE LiNK including our real-world simulation: Horizon Bindery.

At the end of this project we were thrilled to ship over 13,000 notebooks to Sri Lanka to support the education of children in need.
